9. Affirmative Action questionnaire

ATREE encourages and welcomes qualified students from underprivileged and marginalized backgrounds to apply for its PhD programme. We will use the following information to help us weight our selections to include candidates from underprivileged backgrounds, reflecting ATREE's emerging affirmative action policy. We will include the scores from this questionnaire in the overall selection process, but require that all candidates show the required proficiency in the subject matter, aptitude for academic rigor required for a PhD and broad fit with ATREE's PhD programme. In this regard we would like the candidates applying for the PhD programme to fill out this simple questionnaire. In case you do not want to provide this information please circle 'no' below.

Please do indicate whether you want to fill this questionnaire: Yes/No

Dimension	Indicator	Yes/No	Proof
Education up to 10th standard	Vernacular medium		School leaving certificate
	State board		School leaving certificate
	Rural areas (defined as areas less than or equal to municipality)		School leaving certificate
Region	States with low Human Development Index	Name of state:	School leaving certificate
	50 most backward districts	Name of district:	School leaving certificate
Gender	Female/male/other		Self declaration
Physical	Based on disability certificate		disability certificate from a competent authority
